CFPG CAMPAIGN NEARS CLIMAX WITH 700 SIGNATURES TO DATE

The climax of the "Save Greenbelt" campaign will be reached this weekend when more than 100 volunteers will make their final rounds on behalf of the Citizens for a Planned Greenbelt (CFPG). The volunteers are conducting a house-to-house drive, collecting signatures in support of the Greenbelt Master Plan.

The volunteers will also ask for contributions to help finance the cost of the battle to keep the population density of Greenbelt low, to prevent four-lane highways in interior Greenbelt, and to keep Greenbelt green. The money will be used to provide educational and publicity material and to meet possible legal expenses. A contribution of \$1 will entitle a family to official membership in CFPG.

Charles Schwan, who is heading the volunteer drive, reported that first returns show overwhelming endorsement of the Greenbelt Master Plan by residents. With one third of the volunteers reporting, already 700 signatures have been collected. About 220 families have become paid members of CFPG.

Schwan is being assisted by CFPG committee members Elaine Skolnik from GHI (GR 4-6060), Francis White from Lakeside (GR 4-9467), Allen Douglas from Lakewood (GR 4-5349), and Harvey Geller (GR 4-6323) from Woodland Hills.

Persons who wish to volunteer their services in this drive are asked to contact any of the above-named persons.

The CFPG is pledged to preserve Greenbelt as a residential planned community of home owners with low density housing and no high-density apartments. It opposes the Area 13 plan prepared by the Maryland National Capital Park and Planning Commission because that plan will produce a population of 50,000 in Greenbelt and create conditions that will require the widening of present Greenbelt roads to four-lane highways.

The CFPG Steering Committee meets every Tuesday evening in the city office at 8 p.m. The meetings are open to the public and interested citizens are urged to attend.

Budget Hearings Begin This Week

A series of budget meetings was held this week by the city council in preparation for the public hearing on Wednesday, June 2, at 8 p.m. in the city offices. Items discussed were general government expenditures, debt service, and the public works budget.

City manager James Giese estimated that general government expenditures for fiscal year 1965-66 would drop off some \$3,000 from the current year. City councilmen, however, feel that he underestimated expenditures for zoning attorneys and planning consultants and it is expected that additional sums will be allowed for these items.

One expense item the city will have this year that was not present last year is the cost of the September city council elections—approximately \$900. Current thinking of council is that a referendum on acquisition of parkland will also come before the voters on election day. About 10 acres around the park are being considered for purchase. The budget allows for \$4,500 interest in fiscal year 1965-66 on a parkland bond issue.

In reviewing the public works budget, council asked management for a report on the income received from the state for maintenance of

GCS Offers Scholarships To Annual Co-op Institute

Applications for scholarships for the 36th Annual Co-op Institute, at Hobart College, Geneva, New York, August 1-7, were invited this week by Greenbelt Consumer Services. Throughout GCS, 11 scholarships will be offered to adult GCS stockholders and 4 scholarships for young persons (between ages 16 and 21) who are members of families in which there are GCS stockholder - members. Institute fees and living expenses covered by the scholarships come to \$55 per person, plus \$2 for tips (\$40 per child under age 12). Besides sessions on various aspects of running co-ops and other organizations, led by 11 experts, there will be round-table discussions, special youth sessions, recreation, and social activities. Carpool transportation to and from Hobart will be available.

Literature on the Institute is available at the GCS store. For further information, call George Phibbs, 474-4031. Applicants for scholarships are asked to leave a note in the suggestion box at the GCS store before June 9. The executive committee of the Greenbelt delegation will make its recommendations to the GCS Congress executive committee by June 11 as to which Greenbelters should be considered.

Greenbelt Delegation Meets

Scholarships for the Institute were among several matters considered by the Greenbelt delegation to the GCS Congress at its first meeting last Monday night, after the recent election of seven delegates by the membership. The delegation in turn elected as its officers for the coming year: Mat Amberg, 6-E Hillside, chairman; the Rev. Kenneth Buker, 21-D Parkway, vice chairman; and Phipps, 29-B Ridge, secretary.

GCS members interested in working with the delegation, serving on its committees, including the Member Relations Committee and the Consumer Advisory Committee, or in helping with the forthcoming annual corporation meeting and picnic, are urged by Amberg to contact him or one of the other officers or to leave their names, phone numbers, and interests in the suggestion box at the store.

Annual Meeting

The GCS annual corporation meeting, in which all members from all the store areas may participate and at which balloting for members of the GCS Board of Directors will be completed, will be held in Greenbelt on Sunday, June 20. The plans call for holding the meeting at 3 p.m. and serving a chicken barbecue dinner starting at 4:30 p.m.

The meeting-attendance prize given away in connection with the various store area meetings of GCS members was won by George D. Farmer, Jr., of Penn Daw. Farmer has his choice of a round-trip flight for one to Brussels, Belgium, or a weekend for two in New York City.

GHI service courts which could be matched against city expenditures for this item.

U. S. WON'T BUY JAEGER TRACT

The United States Department of the Interior has finally decided not to acquire the Jaeger tract, (the much-disputed piece of land surrounded on three sides by Greenbelt National Park), because it is too expensive. Mayor Edgar Smith received a letter this week from Senator Joseph D. Tydings, informing him of the decision and enclosing a letter from the Secretary of the Interior.

Tydings letter read, in part "The cost of \$2.4 million is prohibitive . . . and the cost of effective scenic easements would not be appreciably less. It is my understanding that to reprogram existing funds or to alter present park proposals would be particularly detrimental to the over-all program of the Department."

Propose Local Justice of Peace

The City Council has decided to ask the county commissioners to approve the stationing of a Justice of the Peace in the city of Greenbelt. Justices of the Peace are appointed by the Governor, but their salaries are paid by the county. The approval of the county commissioners is necessary for the employment of such persons. The county now provides Justices of the Peace in Laurel and Takoma Park.

City Manager James Giese has been discussing the subject with County Commissioner Frank Lastner, and Lastner indicated that the county would be willing to provide a part-time Justice of the Peace in Greenbelt if the city would provide office space in the municipal building.

By having a Justice of the Peace in Greenbelt, Greenbelt residents and other citizens of the area could take out summonses and post collateral for tickets in the city, rather than having to go to Hyattsville. In addition, since all police summonses must be sworn to before a Justice of the Peace, the Greenbelt Police Department would have to make fewer trips to Hyattsville.

Talk on Viet Nam

A program on Viet Nam will be sponsored by the Greenbelt Unit of the United Nations Association on June 4, at 8 p.m., in the Municipal Building. The speakers will be Dr. Robert Risinger and Dr. Arthur Atkins, both on the Maryland University faculty. Dr. Atkins participated in the recent "teach-in" on Viet Nam. The two speakers will take opposing views on our commitment in South Viet Nam.

Following the talks, UNA president, Irene Hensel, will present scrolls to the winners of the recent United Nations essay contest. The public is invited to attend.

GHI Election Results Return Four Incumbents to Board

Greenbelt Homes, Inc. members gave a resounding vote of confidence in the present administration of the corporation at last week's election. All four incumbents on the board of directors seeking a two-year term were returned to office. High man was Gerald Gough with 230 votes out of 284 ballots cast - an 80 percent majority. He was followed by Charles Schwan with 209 votes, John O'Reilly with 191 votes, and Norman Weyel with 183 votes. The fifth spot went to newcomer James Smith who garnered 144 votes.

Grand Jury Indicts Abernathy, Galifaro

Last Friday, May 21, the Grand Jury indicted both Officer Thomas J. Galifaro, of the Greenbelt Police Department, and Stephen J. Abernathy, a former Greenbelter, on charges of assault with intent to murder. The indictment was the result of an incident that took place on April 25 at Springhill Lake, during which Abernathy fired a rifle at a group of people, including Galifaro, and subsequently was shot in the ear by Galifaro, who was off duty at the time. Abernathy's father, who was present at the incident, stated that he had already disarmed his son before Galifaro shot him.

City Manager James Giese has made the following statement: "Subsequent to the shooting incident involving Stephen J. Abernathy and Officer Thomas J. Galifaro, Officer Galifaro was relieved from active police duty and his service revolver and badge were taken from his possession. This action was taken pending completion of investigations on the matter by all parties concerned. In view of the action taken by the Grand Jury in indicting both Mr. Abernathy and Officer Galifaro for assault with intent to murder, Officer Galifaro shall continue to be suspended from active duty as a police officer until the outcome of the trial. This action is taken in accordance with established city personnel regulations and is not to be taken in any way as a judgment by the city of Officer Galifaro's actions in this matter."

Police Chief William Lane accompanied Galifaro to the office of the State Attorney, where Galifaro was arraigned and then released on personal bond. Abernathy has also been arraigned.

"Wear a Poppy"

"Wear a Poppy to show that you remember." will be the appeal of American Legion Auxiliary Poppy Day volunteers to the people of Greenbelt on Poppy Day, May 29, states Mrs. Clara Kuntz, the Auxiliary's Poppy Chairman.

"Some of the finest young men of our city gave their lives in America's defense during the three wars of the past half century," Mrs. Kuntz said. "We should not lose the inspiration of their service and sacrifice, but should keep their memory bright. We owe today's free America to them and all others like them who stood between America and the enemy in time of war."

"Wearing a poppy on Poppy Day is the individual act of tribute to the nation's war dead," continued Mrs. Clara Kuntz. "Pinning on a poppy is a very little thing to do, but it is a significant gesture showing that we remember and are grateful."

The winning five now join the present four members of the GHI board - Nat Shinderman, Edward Burgoon, Mrs. Josephine Seay, and Steve Polaschik—to round out the 9-man board. The organization of the new board and election of officers will take place at the board's regularly scheduled meeting tonight.

The unsuccessful candidates for the board in order of vote were Stephen Paddock (106), Victor Fisher (80), Norman Charles (61), Albert Bistany (53), Thomas Mitten (31), and Donald Olverson (21). One other candidate—Jeremy Anderson—withdraw before the election.

Adult Committee

Winners for the 3-man audit committee were Miss Katherine Keene (210), Charles Wainscott (157) and Seymour Kaplan (130). The other two candidates—James Foster and Robert Lauber — received 122 and 108 votes, respectively.

An oddity in the balloting occurred with respect to the 5-man nominations and elections committee when a tie developed for fifth place between Andrew Feeney and Darwin Beck. The other four spots went to George Adams, Mrs. Elizabeth Allen, Thomas White, and Richard Gramm.

The 284 votes cast in last week's election were the lowest since 1959 when 275 votes were registered. The 1965 vote was also higher than those of 1955, 1957, and 1958. It was, however, in sharp contrast to last year's election when 558 votes were cast. Only 1 proxy vote was cast. There are about 1,500 GHI members.

By-Law Change

Without controversy, the membership adopted a new proxy procedure at the annual membership meeting on Wednesday, May 19. The by-law change will discourage the mass solicitation of proxy votes at elections, but will still permit the proper use of proxies by absentee or ill members. This is accomplished by requiring that official proxy forms be requested by mail or in person through the GHI office.

The only controversy of the evening concerned a resolution authorizing the board of directors to build four and five-bedroom free-standing homes and townhouses on GHI - owned undeveloped land. There was some criticism from the floor that the membership had not been given adequate notice that a proposal of this far - reaching nature would be up for a vote. Questions were also raised as to the criteria for establishing priority lists for sale of new homes. No vote was taken on the resolution as there was an absence of a quorum by the time the item was reached on the agenda.

Memorial Day Services

Greenbelt American Legion Post #136, will hold their annual Memorial Day Services on Monday May 31 at the Memorial on Centerway. Services will start promptly at 10:45 a.m. Everyone is invited to participate.

PUBLIC NOTICE

There will be a Public Hearing on the Annual Budget of the City of Greenbelt in the Council Room of the Municipal Building, Wednesday, June 2, 1965 at 8:00 P.M. The public is invited to attend.

Kudos to the Manager

Kudos to city manager James K. Giese and his staff for the handsome and informative pamphlet, "Annual Report 1964," that was delivered at the doorstep of all Greenbelt residents this week. The attractive photograph of the three flags beside the municipal building—nation, state, and city—symbolizes the theme of responsible government that pervades the text, as well as setting the standard of aesthetic quality that prevails throughout the booklet.

How Greenbelt has changed during the last year—in development, in population growth, in expanded services—is detailed in this report. Of particular interest to the taxpaying citizen is a section explaining the shifting sources of municipal revenue as the city's tax base has broadened, and the utilization of these revenues in the city's total program.

But the report does not constitute merely a backward look at a year of municipal administration that, from most points of view, was successful on the part of both council and the managerial staff. To those who care about the directions the city may be embarking upon in future years, there is a concluding page outlining numerous unsolved problems that the city's leaders are already beginning to grapple with.

The very clarity and attractiveness of the presentation set forth in "Annual Report 1964" may help Mr. Giese and his staff to enlist the "interest and participation" of local citizens they solicit in attempting to find solutions for the future problems they delineate.

City Notes

Ron Dick, the administrative assistant to the city manager, has been granted a four-week leave of absence. During that time, Dick will be helping to run the city offices at Bowie, following the resignation of Bowie's city manager and his assistant.

City Manager James Giese announces that June 12 has been set as the tentative opening date for the Greenbelt swimming pool, now under construction.

The Department of Public Works has been working in the west parking lot this week, near the new Professional Building. New curbs and sidewalks are being installed, and parking facilities outside the Professional Building improved.

Trip to the World's Fair

The Greenbelt Travel Club is sponsoring a 24-hour trip to the World's Fair, in response to requests from members who wanted to be able to stay late enough to see the water display at the Pool of Industry, a panorama of synchronized water, fireworks, color, and music.

The tour group will leave the west parking lot near the Suburban Trust Company at 6:30 a.m. on Saturday, June 26, and return to the same spot on Sunday morning at 6:30 a.m. The bus will leave the fairgrounds at midnight so that people may sleep on the bus coming home.

For further information, please see the advertisement in this issue of the News Review. People who plan to go on the trip may register at the office of the Twin Pines Savings and Loan Association.

High School Talent Show

The Future Teachers of America of Prince Georges County are presenting a talent show on May 27 and 28, beginning at 8:15 p.m. in the auditorium of Northwestern Senior High School, Adelphi Road, Hyattsville, for the benefit of the Prince Georges County Scholarship Fund, Inc.

Thanks

I would like to express my appreciation to all members who supported me in the GHI election. I will fulfill my obligations to the best of my ability and will work to support GHI's best interest.

James W. Smith

Golden Agers

The Golden Agers will hold a luncheon at the Log Cabin, Beltsville Farm, on Thursday, June 3, at 1:15 p.m. Members who plan to go are asked to inform the arrangements committee, so that transportation can be provided.

The club's carnival on July 4-10 will be the largest ever held in Greenbelt. Arrangements have already been made, and many citizens have offered their assistance.

Club members may take advantage of a package vacation trip to Miami from October 21 to November 1, spending six days and nights at any one of six Miami hotels. The cost of \$119 includes all transportation, lodging, and three meals a day, with side trips by yacht and automobile. A minimum of 20 and a maximum of 70 Golden Agers may participate in the tour, which has been arranged by Charles E. Pugh of the Seaboard Railroad.

The Golden Agers welcome new member Mrs. May B. Griffin, 26-B Crescent, to the club.

Center School PTA Meeting

The Center School Parents and Teachers Association will hold a meeting on Tuesday, June 1st, at 8:00 p.m., at which new officers for the 1965-66 school year will be elected and installed. Mrs. Cook, music teacher, will present an excellent choral recital. Refreshments will be served.

Kilcullen--Branch

Mr. and Mrs. James A. Kilcullen of Leonia, New Jersey, have announced the engagement of their daughter, Miss Sheila Catherine Kilcullen, to Lieut. Daniel B. Branch, Jr., USN, son of Mr. and Mrs. Daniel B. Branch, 13-H Ridge.

The future bride was graduated from the Academy of the Holy Angels in Fort Lee and is an alumna of Mount St. Agnes College in Baltimore. She is presently Head Nurse at the Columbia-Presbyterian Medical Center in New York City.

The prospective bridegroom was graduated from the United States Naval Academy in Annapolis, USN Submarine School in New London, Conn., USN Nuclear Power School in Bainbridge, and is now training at the U.S.A.E.C. facility in West Milton, New York. He will return to active duty in the USN Submarine Service upon completion of his course.

Lieut. Branch is the grandson of the late William Emmet and Etta Rebecca White Ratcliffe of Raleigh, North Carolina and the late Daniel B. and Mary Barbara Ittner Branch of Wilmington, North Carolina.

The wedding has been planned for September.

High Point High Points

by Rachelle Chasnoff

Juniors Barbara Bowman and Maureen Holmes were among six High Point students selected to attend Girls State from June 29-26 at Annapolis, Maryland. Training potential school leaders, Girls State is designed to develop and stimulate understanding and active participation in the functioning of government. The Greenbelt American Legion Auxiliary is one of the sponsors of Girls State.

Greenbelters Missy Brady, Ruth Chasanow, Maureen Holmes, and Linda White will add their spirit to High Point athletic events as part of the newly chosen '65-'66 cheerleader squad.

Congratulations are in order for Charles Bridge, a senior from Greenbelt, who won the Eastern Kaiak White-Water Slalom Championship in the competition held at Jamaica, Vermont, on May 11. Charlie's outstanding skill in a sport that is relatively new to this country has enabled him to become a member of the United States team which will compete for the world kaiak championship in Spittal, Austria from August 6-11. Charlie leaves with the team for a two-month trip abroad in July, which includes a schedule of many kaiak competitions throughout Europe.

The LAUREATE, High Point's literary-art magazine which publishes student work, is now available to the public for one dollar per copy.

Susan Ellerin, a junior, and Rachelle Chasnoff, a senior were inducted into the High Point chapter of Quill & Scroll, the international honor society for high school journalists.

ATTENTION SENIORS and ALUMNI! If you are looking for a way to keep informed about High Point students and their activities, here are two suggestions which should solve your problems. Subscriptions for next year's BEACON, the monthly student newspaper, are available for only \$2.00. Alumni Association membership for \$1.25 will be open to all until the end of school. Make sure you get yours today!

Continuing her present position in the class organization, Reba Schwimer will serve as historian of next year's junior class. The senior class historian will be Eva Garin. Debby Mayer plans to aid the Student Government as the newly elected secretary for the coming school year.

Dave Weiner, a junior, received a certificate for extemporaneous speaking in the semi-final rounds at the Maryland Speech and Debate Tournament on April 24. At the same event, Margaret Amberg, a junior, presented a reading of Gibran's work, "Poem."

Laster Heads Physics Dept. at Maryland U.

Dr. Howard Laster, 3 Lakeside, an authority on cosmic ray theory and related areas of astrophysics, is the new head of the University of Maryland's fast-growing Physics and Astronomy Department.

Associate chairman of the department since 1961, he succeeds Dr. John S. Toll, who resigned recently to become president of the Stony Brook, L.I., branch of the State University of New York.

Dr. Laster and his wife, Miriam, have lived in Greenbelt about 9 years. They have four children—Lisa, Jonathan, Jane, Sally.

University officials count on the 35-year-old, Harvard-educated scientist to continue the leadership tradition laid down by Dr. Toll. During Dr. Toll's 12 years at the University, physics-astronomy grew from a faculty of only 4 to 82 full-time physicists and astronomers, all Ph.Ds.

Dr. Laster has centered his research on physics-astronomy's space physics program since coming to Maryland in 1956. Active in efforts to improve science curricula and teaching, Dr. Laster for several years directed National Science Foundation institutes for secondary-school physics teachers. He belongs to the American Physical and American Astronomical Societies. In 1962-63 he chaired the university's Committee on Faculty Research. Dr. Laster is now regional counselor to the State of Maryland in a program run by the American Institute of Physics.

A native of Weehawken, N. J., he was graduated summa cum laude from Harvard in 1961 and earned his doctorate from Cornell University in 1957.

J.C.C. SERVICES

There will be services Friday evening at 8:15 p.m. at the J.C.C. building, Westway and Ridge. Rabbi Jazer, from New York, will preside. An Oneg Shabat will follow. Rabbi Jazer will participate in Saturday morning services at 10 a.m.

Thanks

I wish to thank my many friends for their visits, prayers, cards, plants, bouquets and for a very special card I received during the past 23 days while I was a patient at Prince Georges Hospital. Your help made my stay a more pleasant one.

Swimming Pool Passes Available

Last week application forms were distributed for passes to the Greenbelt Swimming Pool. Resident family passes have been increased to \$25.00 for the season and other passes have also been increased accordingly. Passes may be obtained either by mailing in the application form with check to the city offices or by applying at the City Treasurer's office Monday through Friday between 8 a.m. and 4:30 p.m.

Because the pool is being reconstructed and enlarged, it is possible that it may not be ready for use at the start of the season. At present it appears that the pool will not be completed by Memorial Day but will be open by about the time school lets out. The city ordinance provides that if the pool is not placed in operation by June 19, refunds shall be given to each purchaser of a season pass in proportion to the number of days that the pool is not in operation to the total days in the swimming season between June 19 and Labor Day.

Reconstruction of the main pool is now virtually complete. Half of the new diving pool has been constructed and forms are presently being placed for constructing the other half of this pool. The installation of filtration equipment and piping to the pools is proceeding. Some grading work has been done in preparation for pouring a new concrete deck.

Bathroom Repairs

Although sufficient funds were not available for a major renovation of the bathhouse, the building is being repaired and spruced up. Painted floors in the lobby and shower rooms have been sandblasted to expose the original colored concrete. The brick exterior of the building has also been sandblasted. The dressing room wings are being recovered with new siding material. New metal partitions have been purchased for the wash rooms. The leaks in the roof have been repaired. All interior walls and exterior trim will be repainted.

Umbrellas and Chairs

For the convenience of patrons who wish to sit in the shade, umbrellas have been ordered and will be placed at convenient locations around the pool. For those who wish to be comfortable either in the shade or sun, lounge chairs and sunbathing cots will be available on a rental basis at nominal fees. The pool concession stand will again be operated with paid help, and a variety of snacks, sandwiches, and drinks will be available.

Recreation Director Richard Stevenson also announces that there has been a radical reorganization of the swimming lesson program. New forms have been purchased which are expected to speed the time it takes to register for lessons. Additional classes are planned so that more children can be registered for any one period. Classes will be forty-five minutes in length instead of a half hour as

Arts and Crafts Guild

The Greenbelt Arts and Crafts Guild will meet at Twin Pines on Friday, May 28, at 8 p.m. to discuss plans for the Labor Day show. It is anticipated that a three-day area-wide Second Annual Art Festival will form an integral part of the city celebration at that time.

Other business will be the final details of a field trip to Great Falls, and the scheduling of weekly open workshops at the Youth Center.

Following the meeting, exhibits for the guild's next display will be hung. This show, which will open May 28, will feature the work of the recently completed painting course given under the direction of Jack Dillinger.

New Officers for St. Hugh's

Newly elected officers of the St. Hugh's Home & School Association for 1965-66 are: President: Charles Fuchs; V. Presidents: D. Baluchi, P. O'Brien, P. Labukas, A. Ladnier; Secretary: Dorothy Noel and Treasurer: Mary Bransky.

The Fine Art of Displaying

A roomful of ideas on how to make unusual and attractive exhibits to advertise coming events is on display this week at the Regional Library in Hyattsville. The exhibits were prepared by the staff of the Prince Georges County Memorial Library, and they range from a construction in black velvet and burlap, advertising the poverty program, to a display featuring driftwood and seashells, describing books about art and the seashore. Many other ingenious ideas, including mobiles and collages created from inexpensive, everyday materials may be viewed by the public in the Meeting Room of the library through Saturday, May 29.

in previous years, and sessions will last for only two weeks instead of three.

Any person who has not received a pass application may obtain one by contacting the Recreation Department at 474-6878.

Fine Arts Festival at Junior High School

The public is cordially invited to a Fine Arts Festival at the Greenbelt Junior School on Thursday and Friday, May 27 and 28 at 8 p.m.

Thursday night's program will include dramatic readings, a fashion show and modern dance—refreshments will be served after the program.

Friday night there will be a music concert, featuring a chorus, the band, a special chorus and the Juniors. The Juniors are a folk song group consisting of sopranos, altos, basses and tenors, three guitars, a banjo and a string bass. One song to be performed by them is entitled "Lonely Road;" words were written by Class 8B and music by Leonard Moses, music teacher.

The band will play selections by Mozart, Grieg, Bach and Dvorak. The special chorus and band will present three cantatas: "Sanctus," by Schubert; "Glory Now to Thee Be Given," by Bach; and "Thou Shalt Love the Lord," with music by L. Moses. Of special interest should be an original work called "Walk With Me." The words were written by Blanche Doyle, an 8th grade student, set to music by L. Moses.

Both nights there will be an exhibit of art and ceramics by the students; the quality of their work is said to be outstanding.

School Registration

The Prince Georges County Board of Education announces that registration for the enrollment of pre-school age children and of children who have moved into the county from other districts will take place Friday, June 4, from 9 a.m. to 3:30 p.m., at North End and Center Schools.

Parents who are registering their child in the first grade should bring the child's birth certificate as proof of age. Children entering the first grade must be six years of age before January 1, 1966.

Verification of the child's smallpox and diphtheria immunization must be presented to the school on or before the opening of school on Tuesday, September 7.

Public Lecture By Mario Montessori

A public lecture on Montessori theory will highlight a 3-day Montessori study conference in Washington. On Sunday, May 30, at 8:30 p.m. in the Sheraton Park ballroom, Mario Montessori will discuss "Education as a Help to Life," stressing helping the growing child to adapt to a changing society. There is a nominal admission fee.
